

WHO ARE OUR PERFECT CLIENTS?

In Mining & Natural Resources, we work with:

- Large-scale mining companies
- Small-scale and artisanal licence holders
- Gold and diamond exporters and dealers
- Exploration and junior mining companies
- Quarrying and aggregates operators
- Mining contractors and suppliers
- Oil, gas and energy explorers
- Foreign investors and joint ventures
- Community development and CSR programmes

Mining brings complex licensing, royalty, tax and reporting obligations alongside community and environmental commitments. At **SLONEC** we support operators from licence application to export, helping you stay compliant with the National Minerals Agency, the NRA and the EPA while you focus on production.

Are you ready to take your operation to the next level?
